Slide Position	1	2	3	4	5	6	7

Notes:

Each column shows partials 1-8 of the harmonic series for each slide position

- A whole note indicates the normal slide position for this pitch
- A solid black note indicates an alternate slide position for this pitch
- ▲ A triangle-shaped note indicates that this note is too out-of-tune to use in this slide position (this applies only to the 7th partial A-flat in 1st position)
