

# Fingering Workout

for Trumpet / Horn

Descending Patterns - This exercise covers all possible valve combinations.

(Horn: use the fingerings for an octave lower, to follow the sequence: 0-2-1-12-23-13-123).

Start slowly for perfection, and gradually increase the tempo as dexterity improves over time.

Minor 2nd

Major 2nd

Minor 3rd

Major 3rd

Perfect 4th

Diminished 5th

Variations - Perform these exercises with a variety of rhythms and articulations, and in other registers.

Ascending Patterns - For variety, perform each interval sequence in reverse.

Minor 2nd

etc.

M2, m3, M3, P4

Diminished 5th

When performing in higher partials, make sure to use alternate fingerings to maintain the same fingering patterns. For example:

Minor 3rd

123

13
